4-Time Group Information -2017-2018

Thank you for choosing Little Switzerland this season. We are excited to share our love of skiing and snowboarding with your family. Please read through the information below, it is your responsibility to communicate and share our policies with your student. Please contact your schools group coordinator with any questions.

• Lessons

- Students must be 7 years old to participate in our group lesson program.
- Lessons are for kids only, no adults may participate in the group lessons. We encourage adults who wish to learn to sign up online for a private lesson.
- All lessons start at our beginner hill, it is the student's responsibility to report to lessons. Little Switzerland will not go look for missing students. If your students choose not to attend, no credit or make up will be provided.
- Our 4-time group lessons are a great affordable way to teach students the basics of skiing/snowboarding. Please keep in mind these lessons are group sized lessons, if a student is struggling please contact us so we can find the right fit for your student. *All students learn differently, a private lesson may be a better fit for a struggling student.* We want students to love this sport as much as we do, providing them with a great experience is important to us.
- All group lessons last 1 hour.
- Beginner lessons are zone based group lessons that will take place on our beginner hill. Intermediate lessons will start at the base of our beginner hill.
- Parents are welcome to watch lessons, but must remain off the hill and within the designated area of the Warming Hut.

• Communication

-In order to provide you with the best service, please refrain from calling or emailing our general phone number with group questions. Groups have different needs from our daily ticket customers. Please direct all group questions to your schools group coordinator. If they can't answer it they will get in touch with Little Switzerland and get in touch with you.

• Weather

-Little Switzerland will update any hill closings due to weather conditions by noon. All closings will be posted on our Facebook page and website. Please keep in mind we are a winter seasonal sport. If your group outing has been cancelled we will use your groups scheduled make up.

-If our hill is open your groups outing will run, with the exception of school being cancelled.

• Refunds & Cancellations

-All group payments are enrollments are non-refundable and non-transferable.

-In the event that a student must drop out of the group program due to medical reasons, a doctor's note must be provided to Little Switzerland. In return, the student will receive a Little Switzerland gift card, which does not expire.

-Little Switzerland will not provide a cash or check refund for students withdrawing from the program.

-Little Switzerland does not provide a make-up session or credit if the student is sick or has other conflicts and can't attend.

• Conduct

-It is important to Little Switzerland that our slopes and Chalet remain a family friendly environment. We take pride in providing a fun winter place for both students and families to enjoy. Please remind students to conduct themselves in a family friendly way. The use of inappropriate language to other guests or staff and reckless skiing/snowboarding may result in students lift ticket being pulled.

-The code: learn it, know it, use it!
